“ Kelly, just wanted you to know you and your family are in our prayers. Your Mom and Dad have always been a hugh part of our community and church. They really touched my life with their deep devotion to each other. With all the trials and tribulation this one couple have had to bear and kept their faith should be a great inspiration to everyone.

We all have been blessed again and again just for knowing them. I know you feel very lucky to have had such great parents. Take care of your Mom now, your Dad has been taken care of. Love you, Sue, Missy, Todd and family.
