“ To ALL who love "BOO", and her sons...I KNOW how much she loved her family and friends, everyone loved her in return. She was such a devoted person and worked so hard and unselfishly for everyone she loved. May she now reap those rewards for her many kindnesses to those around her and sing forever hand in hand with her husband John! Rest in Peace!

“ I am so sorry for your loss. I knew Boo from high school and then from the Soda Fountain. She treated us well every time we went there. We missed her so much when she had to quit working. We had become close and we will certainly miss her. May the Lord give all of you peace and comfort during this very difficult time.

“ My condolences and prayers are for the children John and Beulah left behind. I know they are grown men now however, the pain of loss remains the same. John Sutherland made a very great impact on my life at East Lynn Elementary, while teaching there. He was one of the finest men I have ever known. I recall when he fell in love with and married Beulah. He had always seemed happy but until then, he was just waiting for the Lord to send Beulah to him. I didn't keep in touch personally but, I never forgot the man that made a difference in my life. 905 Poplar street was the first address I ever learned in Kenova, WV and I visited a few times with them. Somewhere there, perhaps in the attic, are pictures of the children of East Lynn Elementary who were John and Beulah's before God blessed them with children of their own. God bless you all.

“ ALL loved ones of "Boo", I remember her when she first came to Kenova, a very pretty, sweet and well mannered young teen. She was always kind and quite the caretaker of Danny and Laverne Vealey, the siblings she adored. She was also a loving, obedient daughter who held her Mom in the highest esteem. This carried on to her devotion to her husband John and her sons. A life spent in gratitude for everything she had and loved. We bid you farewell until we meet again on God's Celestial Shore!
Sincere sympathy,
