“ I was shocked and saddened to hear of the passing of Brian. I knew him many years ago when he was stationed here at Ft. Riley, and we recently reconnected on Facebook. One thing I will always remember about Brian, which I also shared with him a couple of months ago, is how he was always gentlemanly and would open doors for me.

*I can only hope that knowing your son, and dad, was thought of kindly will help to ease some of your suffering at this time.*

*Peace to you and yours,*

*Stephanie*
