“ I'll never forget being at one of Lump's party's and coming up stairs and watching TV with Granny or coming over to sneak a cigarette. She always had a "hi Dave, how are the kids" for me. She wasn't my Grandmother but I called her "Granny" because she was like a Grandmother, not just to me but to everyone and she will missed.

“ Janie was a good friend as well as a cousin. We spent many years together in Baltimore. I stood up with her at her wedding. The last time I saw her was 4 years ago. I will miss knowing that she is not with us anymore. I want to convey my heartfelt condolences to all her family. She was a kind, caring person.

“ I sure am going to miss you! I am so glad I had the years with you when you stayed with us. My heart aches as I think of all our "coffee time" conversations whether it was 8am or 2am. You were such a funny lady who was so full of life and laughter. You never tried to let your age or health problems get in the way of that. You shared so many stories and became a mother figure in my life. I love you with all my heart and hope you are at peace now. You are now with your baby girl and I know how much you missed her. I love you granny and will miss you.

Love,
Chrissy
