“ Kathryn, Bethany, Wesley and Madelaine,
May your faith and love for each other help you through these heartfelt days, Charles was a remarkable person, an amazing photographer, and a kind person. I will never forget the motorcycle ride he gave me as a teenager, and sharing the photographs and techniques used in the darkroom. May the good memories of Charles help you through the days ahead.
May God bless you and comfort you always.
With deepest sympathy,
Kirk Howell

“ *Charles was my teacher at CK high school. He was also my friend. I used to come by his room at lunch hour and we listened together to Bible teachers on the radio. I used to visit him at his home and spend time with him and his family. It's been over thirty years now, but I will remember forever my friend Charles Moore.*
