“ Dear Joe, Joey and Cristina and family, we are so very sorry to hear about the passing of Kay. Our thoughts and prayers are with you at this difficult time. Kay was an awesome person, she had such clarity of thought, intelligence and such compassion for all, humans and animals alike. We loved her and would have loved to have seen her and Joe one more time. It was not meant to be but we are comforted by the thought, that we will see each other again. God bless you all!

“ You will be forever missed and loved dearly. I always enjoyed our
reminiscent talks. All I can really tell you is that you beat me to
heaven to be with my mother. But then again you were her practice
kid. Hold onto all the ones that have gone before us and tell them I
love them. I love you whole heartly.
