“ *Condolences to the family. David was a wonderful and kind man. I have known him for 68 years. I was married at his house in 1957. He and Estelle were hard working people and gave so much to others. May his family receive God's grace for strength and comfort during the days to come.*

“ *I'm Cliff Eastham's sister and have known Dave for many years. When we met I was in a very dark place in my life and Dave and his family treated me like I was one of their own. I will be forever grateful for the kindness and family love they all showed me and I count Dave as one of the all-around nice men in this world. My love and thanks to you Dave and to your family.*

“ Please know that my thoughts and prayers are with you all. I am unable to attend the services, but am sincerely with you in spirit. Uncle David was always good to me when Papa and Granny brought us around. Such great memories I have of him. Thank you so much for letting me know him. It has been many years since I saw him or Estelle, but my thoughts weren't far away, I always asked Papa how he was. Again, my thoughts and prayers are with you. Much love.

“ Dave will truly be missed. He has been a great neighbor for the last 19 years. He had been a true friend to my husband Ronnie and I. We loved talking with Dave, as he told all the history of Spring Valley, of his family and the Mayo family history. With a heavy heart we say goodbye to a great and valued friend.
