“ We are so heart broken about the death of our wonderful and dear friend, Donna. She will truly be missed by her family, and by Billie Jean and I. We are going to missed those special times that we had not only at church but our times together at a restaurant, small local trips, etc. Now is a very special time as we prepare to celebrate Christmas and the birth of our LORD, and we pray that God will be with us now and always to guide and direct our paths. You are now in heaven and having the best time ever. We will be seeing you later in God's time. Miss You! Love You!

“ My aunt was a part of my life from birth. I will never forget the memories I have and nothing will take those away. I will forever smile when I think of the cherished times we shared and late night visits. I know my dad is welcoming her with open arms and laughing together as I will always remember them doing. She can rest in peace with her family.
