“ Dear Minton Family,
I am so sorry to hear of your loss. Dougie was like one of my own kids when I lived in Twin Valley. Joey and Zack always looked up to him and still to this day we laugh about all their antics. Your family is in my thoughts and prayers.
Love all of you,
Robin Smith

“ Doug, Brenda, TJ, Crystal and everyone in the Minton family I am very sorry for your loss. I can remember Dougie doing swan dives off of the back deck into the pool and taking me and TJ all the way out to the "ridge" when we were 8 and 9 years old on our dirt bikes. Doug you were an awesome person and someone I looked up to. You will be missed.

“ Dear Minton Family,

I am so sorry for your loss. Our family has so many wonderful memories of Dougie. Eric and I were just talking about how Dougie was the first person who came to greet us when we moved to Twin Valley. I remember him as a happy and playful kid who shared his sled with me because all 6 of us had only 2 to share. He played basketball with me in your driveway and was a good friend to my little brother. We will always remember him with deepest affection and will keep you all in our prayers as you go through this most difficult time.

“ Dear Mr. & Mrs. Minton,

Words cannot express how sorry I am for your unfortunate and heartbreaking loss of your son Doug. I remember him so fondly from his childhood friendship with my brother Eric. Playing youth football at Buffalo really was a great experience for him and he couldn't have done it, and made it to all those practices without you guys. You and your family were so kind and such good friends to my family during our years in Twin Valley. We are all so sad and my heart aches for you and your family. Please know that I am lifting him up in prayer and praying for the Lord's embrace to comfort you all and his children during this difficult time. I am thankful that he was in our life.

*God bless you all,

“ I remember Doug from High School. He always had a smile on his face, and he was always so sweet and friendly. One time, Doug came into the Doctor's office where I was doing my clinicals for Medical Assisting during my Senior year and I was the one the got to help him. I was struck by how handsome and personable he was. His High School picture that was used in the obituary is how I will always remember him. Several weeks ago I had found him on Facebook and had sent him a friend request though he never responded. My heart is saddened and I sent my most sincere condolences. You will remain in my thoughts and prayers.
