“*Freda you will be so missed. There was no kinder of a person anywhere. You were so kind to Luther and Mrs Morgan. Had it not been for you, I wouldn't have got to spend as much time with him.*

Thank you! I will miss you much!

Condolences to the family. I'm sure your heart is broken at such a loss. My prayers are with you all.

“ Hello guys...

I had no idea your family was going through this pain. I'm so saddened to hear of your mother's passing.

She was the first Sunday School teacher of mine I remember. She also recalled so many cute experiences to me as I was growing up as to helping control Liz and I as twin "crawlers" in the Westmoreland nursery. Freeda totally was an encouragement to me for all my years of singing faithfully hugging me and lifting me up as a teen telling me "you blessed my soul Sharon".

I'll keep this short and sweet by saying there was no one more kind to me than your mother no one more encouraging. I want you all to know that you'll be in my heart, mind and prayers over the next few days. Remember, your Mom was one of those truly blessed and exceptional people who touched many lives!
