“ Betty and all of Greg's family, Best Friends and all Loved ones my heart truly goes out to you all. I was completely heart broken when I woke up and learned that Greg had passed away. I know for each of you it must feel like a dream and just does not seem real. I would like to say that I dearly loved him as the genuine, sweet, smiling, strong hugging rascal he was. Its no secret how many friends Greg really had and how many people truly loved him and will miss him in more ways then one. I will remember his voice, smile and firm hugs along with the many sweet fatherly like kisses on the head he gave me every time Id run into him. His company was always a pleasure of not only mine but Bryan's. The laughter and good times we have all shared will forever be in our hearts. all our Love and Prayers, Amy, Bryan & Family.
