“*I had the privilege of working with "Big Jane" for many years. I had met Janie even before working with her at ANR, when I was still in school. She was a very hard worker at home and at the factory and I will always remember her big smile and her laugh. To Janie's family, just to let you know that she loved you so much and talked about all of you daily. Janie was a special lady and she will be so missed by her family and acquaintances, and I feel lucky to have shared life with her. My condolences to her family.*
