“ *Sid, Kelly, Donna and family...*
I am so sorry for the loss of your dad. I didn't read his obituary until late in the afternoon the day of the funeral. I got acquainted with your dad while working at Harts and H & R Block. He always had a smile for me.
Sid, you are still the craziest friend I have..lol
and Kelly you are a sweetheart. Donna, I'm sorry I didn't know you very well but I am sure you are like the rest of your family, very kind and lovable. Prayers for all of you during this very difficult time.
Love to all,
Lucretia

“ We are so sorry we couldn't be at the funeral to celebrate our precious friend Jim's beautiful life. I'm sure you will miss him terribly but he is where he wants to be -at the feet of Jesus with family and friends. You two have been wonderful to him and such a blessing to those who have witnessed your love for him. Please know our thoughts are with you and your family. Our prayers are that the Holy Spirit is comforting you at this moment.

Love,

Carolyn and Ben Meredith
