“ I am sorry for the loss of Jerry,as I never had met him but he was apart of Tom Roten`s Radio show like it was his own. We might not have agreed but at least he expressed his opion. He will be missed by the listeners and more by family and friends.From what I have heard and have read I do regrettably wish we have meet. I do wish that the family pain will be lifted and they receive strength to go on and Jerry I wish you GOD`s speed.
