“ I worked with Lace at Houdaille. This world will miss him, but he serves in a different Army now. One of the kindest people I ever met. I was a new foreman over third shift forge and he led me by my hand through the whole process. No one else would have done that, thanks, Lace, see you on the other side.

“ Susie, Jerry and Family,

When I think of the really good people in my life, your mom and dad come to mind. Maxine and Lace were both so kind to all the children when we were growing up. You were truly blessed to have such wonderful parents. I pray God will comfort you in this time of sorrow.

“ *I didn't know Lace had passed on. I am so very sorry. What a wonderful, kind, intelligent Christian man...a true gentleman. I know he is rejoicing in Heaven.*
