“ To Pam, Frank’s children, and the rest of Frank’s family and friends, I can’t tell you how shocked and sorry I was to hear about Frank’s passing. Frank was my Commander while we served together in the US Army’s first PATRIOT missile battalion, 1/43rd ADA, in Fort Bliss, TX, during the early 80s. As a mater of fact, Frank was the very first PATRIOT Battery Commander since the Headquarters Battery was activated first. He was a great boss and a good friend. It was a great group of officers and their wives and we all had a great time while working to field the Army’s PATRIOT system. That’s what I’ll remember Frank. First to Fire Frank! You will be missed man.
