PS

“ *Kathy, I have fond memories of your mother from when we were kids. She was always so friendly and outgoing. I can still see her in my mind's eye, especially when we were cheerleaders together...from Buddy League to high school! I know how much she meant to you. I lost my mom to cancer many years ago, and to this day there are times when I miss her so much I can hardly stand it. Truly, there is nothing like a mother's love. My sympathy goes out to you and your entire family during this difficult time.*
