“Joey and family my thoughts and prayers are with you. Peggy was loved by so many people. She was truly a great person and a beautiful person inside and out. I will miss our talks in the mornings as she would be leaving to go to work. She would always bring a smile to my face with her upbeat personality and great sense of humor. She will be truly missed!

“Our thoughts and prayers are with the family. Peggy was such a good person, a dear friend for many years and that beautiful smile is certainly going to be missed by all. We can not make it to her celebration of life due to having to be out of town, but know, without a doubt, our hearts will be in Ceredo with the family at this time.
