“ *Ron, I will really miss you. You have always been one of my best friends ever. I always enjoyed visiting and talking at the car lot on my visits home. I can remember when Danny McKeand and I used to stay all night at your house when we were all in grade school and we would go to your room and put on those boxing gloves and spar a round or two of boxing. I will see you in Heaven one day. Your friend, Gary Rowe.*

“ I got to know Ron the past few years covering high school football. I looked forward to seeing him at each game of the Fall, as he always had great stories to tell. I write for a living, and hearing of his loss left me without words. I came to think of Ron as a friend in the short 3-4 years I knew him, and he left an impression on me that I won't forget. I will dearly miss him this football season. I very much enjoyed talking sports, news, and whatever else was going on when I would see him. I appreciated that he wanted people to think for themselves instead of simply accepting what they were told. My thoughts and prayers are with his family. He talked about you guys in press boxes from Wayne to Bluefield to Bridgeport and everywhere in between the past few years, and I know he was proud of the award Roberta received from Marshall. He even missed a high school game to go see it :)
