“ Dear Lee and Family, Kent joins me in sending our sincere condolences to you. We so enjoyed our friendship with both your parents and are blessed that we were able to share good times with them both. I also admired Ruth Ellen's strong faith which carried her through difficult times and wonderful times as well. As much as I missed her after she moved to Topeka, I was happy that she was near her beloved family and enjoy her cherished Madeline. I know your special memories of Ruth will comfort you always.
With love,

“ My deepest sympathies to the family. I fondly remember Mrs. Meredith putting up with me in her house on numerous occasions playing with Lee. It seemed to me that the family was rich. As indeed they turned out to be--rich in love for each other. I am sure that she is rejoicing in Heaven to be with Mr Meredith again. I pray for comfort for those left behind. She will always be with you until you see her again.
