“ *Dear Barbara and Family,
We are very sorry for your loss; may God bless and comfort you all (even the grandchildren who miss him more than we know). We cannot make it to the viewing or the funeral. These things are very difficult since Sid passed and we did a memorial service in AZ, another one in Louisa, and a funeral and graveside service. Love and prayers to all, E-mail when you have time. Love and prayers to all.

“ Dear Bobbie and family,
I was so sorry to hear about Stan. Staci and I have been Facebook friends and I have been keeping up with his illness through her. I don't know where to start when it comes to my feelings and memories of Stan. I remember when you first met Stan in early 1970's. I believe I was with you first time you met him! The best word that I can think that describes Stan is "humble". He was always there to lend a helping hand but never wanted any recognition for it. We are in Florida but I will visit you when we return. My comforting thoughts are with you.
