“ When I was a kid, growing up in Kenova, Tommy Lewis was a hero to all of us on the volunteer fire department. He was hired on in Huntington as a "professional" firefighter for the City and we were all so proud of him and his accomplishment. We visited him often at the former station on 8th Avenue just W. of First Street and marveled at his diligence and his dedication to the job. He was an inspiration to many. So sorry to learn he has left us. I have thought of him many times over the years, remembering that great smile and the willingness to answer questions and help others interested who were interested in his chosen profession.

“ Steve, My prayers and thoughts go out to you at this time of loss. Take comfort in knowing you had a wonderful Dad who loved you very much. His love for the Lord was evident in the conversations that I had with him. There is no doubt he is present today with the Lord along with your Mom. 1 Thes 4 13-18.
