“ I am very sorry for your loss. It has been many years since I have seen Timmy but I have many fond memories of him as such a sweet little boy. I am sure he will be missed by all who knew him

“ Tim was one of the most community minded people I have ever known. As you know he worked many, many hours helping to keep Kenova clean and beautiful. He told me many times how he loved his "babies", meaning his grandchildren. I have know Tim for about six years and he always encouraged me when I was on the Kenova City Council. He would help keep streets cleaned, liter picked up, storm sewer catch basin's cleaned out, etc. These were jobs which he did because he loved Kenova. I will miss him greatly as I am sure most who knew him will also. God Bless You, Stanley A. Wood
