“ *You were (at one point) a HERO to myself and my family. In fact, when no one else was there, YOU took myself & my family into YOUR home and said your home is our home! That was an extremely scary time for us and you made everything feel at ease. I am honored to have met and known you. Thank you for all you did for us. You are no longer in pain or have any sorrows. RIP my friend. Gone way way too soon but you will never be forgotten. Thank you so much again for all you did for our family - when NO ONE else would. From the bottom of my heart, that meant the world and now I'll never get to re-pay you a favor.... Until we meet again. God bless you and your family. Ill make sure Lee-Ash is "A"-OK. I love her like my own! ~Lisa Hoffman*
